2018 NSW / ACT Road
Student Championships

Welcome

Kids on Bikes, the people behind InterSchool Cycling, are pleased to bring you the 2018 NSW / ACT Road Student Championships.

Kids on Bikes have been involved in school cycle education programs as well as developing and supporting junior cycling initiatives for many years.

We have been bringing the Winter Schools Cup series and Student Championship since 2015 as well as creating a summer equivalent for track season.

Your support has been crucial in starting such a great event and it is indeed exciting to see so many school students participating. We look forward to the road ahead and hope to continue delivering cycling events for years to come.

As always we thank the amazing team behind the scenes, tireless committed individuals that have built the platform for the event as well as all the volunteers and officials that are out here today working together to make the championship an extraordinary event on the junior sport calendar.

Finally we wish all the participants good luck and hope you have a great day. Race hard and fair, enjoy the company of fellow students and make some new friends. Kids on Bikes wishes you all a great day's racing.

Gay and Ian Watson
Kids on Bikes

I would like to welcome and thank all the families for their commitment to their children's sport, and to all those that have travelled so far to be here today.

To all the parents and students who have contributed to InterSchool events in Terms 2 and 3 and the generous sponsors who have donated both time and financial backing in the school cycling community to enable us to bring together today's championship.

It is always a pleasure to see so many students giving their best and having a go. Cycling can be a tough sport, taking effort and dedication from parents and riders alike. Good luck to all of today's competitors and thanks for joining us here today and for your ongoing commitment to InterSchool Cycling.

Finally, I'd like to thank all the volunteers here today that are making this event possible especially those who don't have kids competing yet are still happy to give up their time
