InterSchool Cycling

Track
Student
Championships

Welcome

Kids on Bikes is pleased to bring InterSchool Cycling to you and is especially pleased to welcome all parents, teachers, coaches and students to the 2017 Track Student Championship.

Kids on Bikes have been involved in school ride education and community cycling programs initiatives for many years. However we have always felt the need to have a dedicated schools programme that recognised cycling within schools across Australia and allowed school students to compete in a schools based events. 2016 saw the launch of the first ever winter InterSchool Cycling Schools Cup series and Road Championships and that naturally followed on to today's summer Schools Cup series and 2017 Track championship. It is indeed exciting to know that so many school students now have the opportunity to compete and be recognised in such a great way, both for their participation in their chosen sport as well as for their school.

Like always we thank the amazing team of supporters behind the scenes, tireless individuals committed to so many roles needed to bring you such events. From pre event communication with schools and rider families through to today's army of volunteers and officials that come together to make the Student Championship a successful and fun event. We especially wish all the participants good luck and hope you have a great day. Race hard and fair, enjoy the friendship of other students and stand proud for your efforts to make cycling a recognised school sport. Kids on Bikes wishes you all a great day's racing and welcomes you to what is now a permanent extraordinary cycling event on the junior sport calendar.

Gay and Ian Watson
Kids on Bikes

I would like to thank the families for their commitment to their children's sport, and to all those that have travelled to be here today. To all the parents and students who have contributed to InterSchool events in the summer terms and our generous sponsors who have donated both time and financial backing in the school cycling community to enable us to bring together today's championship.

It is always a pleasure to see so many students giving their best and having a go. Cycling can be a tough sport, taking effort and dedication from parents and riders alike. Good Luck to all of today's competitors and thanks for joining us here today and for your ongoing commitment to School Cycling.

Finally, I'd like to thank all the volunteers here today that are making this event possible especially those who don't have kids competing yet are still happy to give up their time to support Interschools Cycling.

Presentation

Information

Warning

Cyclists are reminded that track racing can be considered a dangerous sport and while all reasonable care is taken by the race organisers and officials when organising an event, all participating cyclists have an equal responsibility to ensure they take adequate care by adhering to the rules and conditions imposed by the officials and commissaries.

Helmets

All competitors must wear an Australian Standards Approved Helmet (AS2063), ANSI, Snell or EN approved helmet.

Number Placement

Riders should wear the number on the left side of their jersey and placed in a way that is horizontal while in a riding position. This typically means the number is offset in a diamond shape while the rider is standing.

Riders may wear their number behind them in the time trial only.

Lapped Riders

Lapped riders may be asked to retire from the scratch race.

Points Allocation

Points allocation: Riders receive 10 participation points for each completed stage. Place-getters receive the following points from 1st to 4th in addition to their participation points: 5, 3, 2, 1.

No points are awarded for derby heats and repechages however care should be taken to understand which places continue to the final.

Roll-out

All riders must report to rollout before their first race with their helmet and bike.

ALL riders to report for roll-out after each race. All bikes must adhere to rollout requirements for their age grade.

Prizes

The first three riders in each age/gender category will be awarded medals for their overall point-score. The combined JM15/17 will recognise the first three riders in each age category

Derby

All derby finals consist of four riders except the JM15/17 where there will be five riders.

Warm up

The circuit is not available for warm up until the Commissaire has declared the course open for warm up. We expect it to open at 8:00am for warm up.

Marshalling Area

Riders should enter and exit the track from the gate located 100m before the finish line.
